Inclusion and Accessibility for Years to Come

The Giving Society is a passionate community of individuals who support Morgan's work and dedication to advancing inclusion. Our hope is that the Giving Society will allow members to witness the impact they have and how the Morgan's community is working to empower the lives of our friends with special needs and disabilities. This donor-recognition program was created to acknowledge and celebrate donors' generosity and continued support. While giving is its own reward, an annual gift of \$1,000 or more qualifies you for special recognition and opportunities.

To become a member of Giving Society, a donation can be made by an individual beginning every fiscal year beginning November 1st and ending December 31st of the following year. The donation must meet or exceed the threshold of the membership levels available to qualify for the benefits of the Giving Society. There are 5 membership levels within the Giving Society, each offering more benefits and experiences. Donors may make a pledge and pay over a designated time or make an immediate contribution.

Every dollar makes a difference!

If you have any questions about the Giving Society or how to become a member, please email Inclusion@Morgans.org or call 830-286-3216.
